The Volunteer Peace Officer's Benefit Law

A04368 & S03701
(A08779 & S05624A of 2008)

This legislation is vastly important to:

- 1) Consolidate uniformed volunteer members of law enforcement agencies within the State of New York, including but not limited to Auxiliary Police, Special Deputy Sheriffs, Reserve Sheriffs/Police, Special Police, Reserve Police, SPCA, SPCC, Search and Rescue Squads, and Public Safety Emergency Officers.
- 2) Establish legal authority for law-enforcement agencies to conduct volunteer law enforcement operations.
- 3) Establish legal authority for volunteer officers to perform their duties.
- 4) Establish recruiting standards.
- 5) Increase minimal training standards.
- 6) Provide deserved benefits.
- 7) Protect uniformed volunteers in law enforcement agencies. and
- 8) Protect law enforcement agencies from liability lawsuits due to lack of workers compensation coverage.

Passage of this legislation will legalize existing volunteer officers and operations as well as help recruit and retain current members.

There has been some confusion about The Volunteer Peace Officer bill
I am told that some people think it will mandate costs to the local government.

There are no unfunded mandates in this bill. It is an Opt-in bill

We realize benefits cost money.

We know that the benefits to Volunteer Fire Fighters & Volunteer Ambulance Worker come not only from the state but also some costs are paid by the local government.

Some of the benefits are tax breaks on real property or income.
These Tax Breaks have costs too.

But even when the local government is willing to give benefits to these volunteers, they can't without the state's approval.

This bill will allow the local government to give these volunteers the title "Volunteer Peace Officer."
They must be trained as Peace Officers and meet the standards set by the DCJS.

Only Volunteer Peace Officers will get the benefits.

If the local government doesn't register them as Volunteer Peace Officers with DCJS, they will not be covered by the bill.

AUTHORITY

The establishment of Auxiliary Police or Special Deputy Sheriffs was mandated by the New York State Defense Emergency Act of 1951. At that time, auxiliary police were organized and empowered to direct vehicular traffic to air raid shelters and to perform crowd control functions at those shelters in the event of a nuclear attack CPL 2,10(26) provides the authority for auxiliary police to direct and control traffic during a period of attack or imminent attack by enemy forces or during "official drills".

PROBLEM

With the cold war over and changing needs, all Auxiliary Police units are extensively utilized by law enforcement agencies for many activities which are far outside of the original intent and scope of the Act and authority granted by CPL 2.10(26). Auxiliary police officers volunteer their time to perform these assigned duties at substantial personal risk. When performing duties without legal authority, auxiliary police officers do not have workers compensation protection for medical treatment, lost wages and are exposed to personal liability. In fact, seriously injured auxiliary police officers have found themselves without compensation and an auxiliary police officer was found to be personally liable for a car accident while driving a marked auxiliary police car (see Fitzgibbon, infra).

Without proper legal authority for auxiliary police officers to perform routine duties, the law enforcement agencies they work for are vulnerable to lawsuits for injuries sustained Under the workers compensation law, when employees are covered by workers compensation' their employers cannot be liable for injuries sustained on the job because auxiliary police officers do not have workers compensation insurance, they can maintain liability actions against the agencies for whom they work Providing legal authority to auxiliary police officers will provide them with workers compensation coverage and also protect the law enforcement agencies for whom they work.

AUTHORIZED ACTIVITIES

Other than attack or imminent attack by enemy forces, only official drills can be authorized. An official drill is a "single-event" training exercise to be performed on a specific date. A request for authorization to perform a training exercise at an event must be requested of the state by the law-enforcement agency in writing prior to the date at the event.

UNAUTHORIZED ACTIVITIES

Because it is usually impractical to request authorization to conduct an official drill in advance of events and the time needed to fill out requests, blanket requests covering a period of time such as one year are sometimes filed by police departments. Blanket requests, to "drill" over a

broad period of time are not authorized and no benefits or protections will be afforded to auxiliary police officers performing under a blanket request. An example of a drill which can qualify as an authorized official drill, under the proper circumstances, is traffic control and/or crowd control at a particular scheduled event.

Official drills are not contemplated by the Act to include routine or daily functions, which comprise 99% of assigned auxiliary police duties. In fact, in *David Fitzgibbon, Jr., Plaintiff-Respondent v the County of Nassau, the Auxiliary Police Unit 316, et al, Appellants-Respondents*, the Supreme Court of the State of New York Appellate Division, Second Department, ruled that routine patrols were not contemplated by the Act and held the auxiliary police officer and his auxiliary police unit liable for injuries caused.

UNAUTHORIZED DUTIES PERFORMED

The duties and activities of auxiliary police vary considerably, depending upon the needs of the police department, and usually include monthly minimum hourly requirements for performing routine patrols and traffic control at details, none of which is authorized by the state. Failure to meet the minimum hourly requirements will result in termination of the auxiliary police officer. Virtually all auxiliary police activities are outside of the scope of the Act and the CPL, placing volunteer officers at great personal risk, liability, and without workers compensation protection for medical coverage, pharmaceutical bills, household help, lost wages and other benefits. Duties which are not authorized official drills, outside the scope of the Act and commonly assigned on a routine daily basis by law enforcement agencies to auxiliary police consist of the following: 1) Directing traffic at accidents, inoperable traffic lights, power outages, parades, fairs, religious and most special events; 2) Assisting police with crowd control at school, religious and most special events; 3) Nightly patrols' in squad cars to find and report crime and accidents to supervising law enforcement agencies, as a deterrent to crime by maintaining a visible public presence, and to observe, detect and report suspicious activity and possible terrorism; 4) Issuing complaints for handicap parking violations; 5) Providing additional eyes for police officers at traffic stops; and 6) Assisting in locating missing persons. Additional unauthorized duties assigned by some police departments may include: Searches for missing persons; Emergency rescues; Riding as second man in patrol cars; Performing administrative work for police, departments; Patrolling trains, subway platforms and bus terminals; and assisting with animal humane law enforcement.

Although these assigned duties are important to police departments, they are being performed without any authority of law. Due to fear of liability, some counties and cities have disbanded their Auxiliary Police Programs, in the late 1970's, despite the mandate of the Act.

Auxiliary Police officers drive patrol cars that resemble Police Cars and wear similar uniforms carrying a nightstick and handcuffs (some auxiliary departments carry guns), but many do not have the same protective equipment a police officer would have to protect himself. To recruit new members and retain current members, it is imperative that law enforcement agencies receive sufficient funds to purchase protective equipment for volunteer members and that while on duty Auxiliary Police Officers have the same statutory protection of a Peace Officer that other uniformed services have.

TRAINING

Not all Auxiliary Police have the same recruiting, training and minimum standards. A uniform system of recruiting, operations and training under the auspices of NYS DCJS would help to solidify procedures, rules and regulations.

PARITY

Auxiliary Police DO NOT have a Benevolent Law like The Volunteer Firefighters' Benefit Law and the Volunteer Ambulance Workers' Benefit Law which provide real estate tax credits, a service award program, and workers compensation benefits for medical care, lost wages, and other benefits to volunteer members who are injured or become ill in the line of duty. Recognizing the unselfish service of volunteer firefighters and volunteer ambulance workers, laws designed to protect such volunteers who are injured or become ill in the line of duty, were enacted in 1957 and 1989, respectively. Auxiliary police volunteers deserve the same protection those volunteers receive including real estate tax credits, a service award program, and workers compensation benefits.

This new legislation would help to create proposed minimum standards with which all units would need to comply in order to reap the benefits that will, hopefully, be gained with this legislation. The benefits can act as incentive for the various forces to voluntarily comply with the proposed minimum standards.

It is unreasonable to expect a viable and modern volunteer force existing today and providing tremendous aid to the various communities in which they serve, to work without reasonable benefits in dangerous conditions and without legal authority under the guise of a law that came about in 1950 and did not foresee current needs.

1 and provides for the administration of such system by the workers'
2 compensation board and the chairman of such board.

3 It is hereby declared that this chapter is intended to effectuate the
4 objects and purposes of section eighteen of article one of the state
5 constitution and that the relationship between the political subdivision
6 or law enforcement agency liable for benefits under this chapter and a
7 volunteer peace officer entitled to such benefits is that of employer
8 and employee within the meaning of such provision of the state constitu-
9 tion.

10 § 3. Definitions. As used in this chapter:

11 1. "Volunteer peace officer" means an active volunteer member of a law
12 enforcement agency as specified on a list regularly maintained by that
13 agency for the purpose of this chapter.

14 2. "Law enforcement agency" means any police department, sheriff's
15 office, local child protective services agency, society for the
16 prevention of cruelty to animals, or any agency authorized by law or by
17 a government agency to engage in or supervise the prevention, detection,
18 investigation, or prosecution of any violation of criminal law.

19 3. "Line of duty" means the performance by a volunteer as a volunteer
20 peace officer of the duties and activities for which the volunteer peace
21 officer does not receive any remuneration or a gratuity and shall be
22 deemed to include any date of injury as determined by the workers'
23 compensation board pursuant to the provisions of section forty-one of
24 this chapter. The following shall not be deemed to be remuneration or a
25 gratuity: reimbursement of expenses for meals, lodging and actual and
26 necessary travel; the receipt of a mileage allowance in lieu of travel
27 expense; and the acceptance of transportation, food, drink, shelter,
28 clothing and similar items while on duty or engaged in such activities.

29 4. "Injury" means any disablement of a volunteer peace officer that
30 results from services performed in line of duty and such disease or
31 infection as may naturally and unavoidably result from an injury.

32 5. "Child" includes a posthumous child, a child legally adopted prior
33 to the injury of the volunteer peace officer; and a step-child or
34 acknowledged child born out of wedlock dependent upon the deceased
35 volunteer peace officer.

36 6. "Surviving spouse" means the legal wife of a deceased male volun-
37 teer peace officer or the legal husband of a deceased female volunteer
38 peace officer, as the case may be, but shall not include a spouse who
39 has abandoned the deceased. The term "abandoned", as used in this subdi-
40 vision, means such an abandonment as would be sufficient under section
41 two hundred of the domestic relations law to sustain a judgment of sepa-
42 ration on that ground.

43 7. "Dependent" means a surviving spouse entitled to receive benefits
44 under this chapter, whether or not actually dependent upon a volunteer
45 peace officer, unless a contrary meaning is clearly intended.

46 8. "Earning capacity", except as herein provided, means:

47 a. The ability of a volunteer peace officer to perform on a five day
48 or six day basis either the work usually and ordinarily performed by him
49 in his remunerated employment or other work which for any such worker
50 would be a reasonable substitute for the remunerated employment in which
51 he was employed at the time of his injury, or

52 b. The ability of a volunteer peace officer to perform on a five day
53 or six day basis either the work usually and ordinarily performed by him
54 in the practice of his profession or in the conduct of his trade or
55 business, including farming, and from which he could derive earned
56 income or other work which for any such person would be a reasonable

1 substitute for the profession, trade or business in which he was engaged
2 at the time of his injury.

3 Every volunteer peace officer shall be considered to have earning
4 capacity and, if the provisions of paragraphs a and b of this subdivi-
5 sion are not applicable in any given case, the workers' compensation
6 board, in the interest of justice, shall determine the reasonable earn-
7 ing capacity of the volunteer peace officer with due regard to the
8 provisions of such paragraphs and the work he reasonably could be
9 expected to obtain and for which he is qualified by age, education,
10 training and experience. The ability of a volunteer peace officer to
11 perform the duties of a volunteer peace officer, or to engage in activ-
12 ities incidental thereto, may be considered in determining loss of earn-
13 ing capacity, but the inability of a volunteer peace officer to perform
14 such duties or to engage in such activities shall not be a basis of
15 determining loss of earning capacity.

16 9. "State" means all territory within the boundaries of the state of
17 New York, including territory which has been or may hereafter be ceded
18 to the federal government or to the United Nations and territory within
19 the boundaries of Indian reservations.

20 10. "Political subdivision" means a county, city, town, village or
21 fire or law enforcement agency.

22 11. "State fund" means the state insurance fund provided for in arti-
23 cle six of the workers' compensation law.

24 12. "County plan of self-insurance" means a county plan of self-insu-
25 rance under article five of the workers' compensation law.

26 13. "Insurance carrier" means the state fund, the stock corporations,
27 mutual corporations, group self-insurers or reciprocal insurers
28 described in subdivision nine of section thirty of this chapter, a coun-
29 ty plan of self-insurance, or a self-insuring political subdivision.
30 For purposes of this chapter, a nonprofit property/casualty insurance
31 company which is licensed pursuant to subsection (b) of section six
32 thousand seven hundred four of the insurance law shall be deemed a stock
33 corporation and a nonprofit property/casualty insurance company which is
34 licensed as a reciprocal insurer pursuant to subsection (c) of section
35 six thousand seven hundred four of the insurance law shall be deemed a
36 reciprocal insurer.

37 14. "Fund raising activity" means a fund raising activity described in
38 subdivision one of section two hundred four-a of the general municipal
39 law, except that for the purposes of paragraph k of subdivision one of
40 section five of this chapter it shall not include competitive events in
41 which volunteer peace officers are competitors, such as baseball,
42 basketball, football, bowling, tugs of war, donkey baseball, donkey
43 basketball, boxing, wrestling, contests between bands or drum corps, or
44 other competitive events in which volunteer peace officers are compet-
45 itors and which involve physical exertion on the part of the compet-
46 itors. Such term "fund raising activity" shall not include drills,
47 parades, inspections, reviews, competitive tournaments, contests or
48 public exhibitions, described in paragraphs e and h of subdivision one
49 of section five of this chapter, even though prizes are awarded at such
50 events.

5 10. In the case of a death of a volunteer peace officer, on or after
6 the effective date of this chapter, that results from services performed

2 centum, or greater, he or she shall be paid one hundred fifty dollars
3 for each week.

4 2. If the percentage of loss of earning capacity is fifty per centum,
5 or greater, but less than seventy-five per centum, he or she shall be
6 paid one hundred dollars for each week.

7 3. If the percentage of loss of earning capacity is twenty-five per
8 centum, or greater, but less than fifty per centum, he or she shall be
9 paid thirty dollars for each week.

10 4. If the percentage of loss of earning capacity is less than twenty-
11 five per centum, he or she shall not be paid any weekly benefit.

12 Temporary partial disability, within the meaning of this section,
13 shall exist only if the earning capacity of the volunteer peace officer
14 has been temporarily and partially lost as the result of the injury. The
15 workers' compensation board shall determine the degree of such disabili-
16 ty and such board may reconsider such degree on its own motion or upon
17 application of any party in interest.

18 § 11-a. Repair or replacement of prosthetic devices. If, as a result
19 of services performed in line of duty, a volunteer peace officer damages
20 or loses any prosthetic devices required to be worn or used by him,
21 whether or not he is injured, such prosthetic device shall be repaired,
22 or replaced in the discretion of the workers' compensation board, and
23 necessary medical, surgical or other attendance or treatment, nurse and
24 hospital service, in connection therewith shall be furnished, in the
25 same manner as a prosthetic device would be furnished, replaced or
26 repaired and treatment and care provided under the provisions of section
27 sixteen of this article. Damage to or loss of a prosthetic device shall
28 be deemed an injury, except that no disability benefits shall be payable
29 with respect to such injury under sections eight, nine, ten and eleven
30 of this article. The term "prosthetic device" as used in this section
31 includes an artificial limb, artificial eye, eyeglasses, contact lens,
32 hearing aid, denture or dental appliance or any surgical appliance
33 required to be worn or used by the volunteer peace officer, but shall
34 not include shoes or any other article considered as ordinary wearing
35 apparel, whether or not specially constructed.

36 § 11-b. Hazardous exposures. If, as a result of services performed in
37 line of duty, a volunteer peace officer is exposed to or comes in
38 contact with any poisons, gases, x-rays, radium, radioactive materials
39 or other potentially harmful substances or matter, the captain or other
40 executive officer of the department, or law enforcement agency of which
41 he is a member may authorize the volunteer peace officer to obtain such
42 examinations, tests, treatment and care as are immediately necessary to
43 determine whether he is injured. Any such authorization may be granted
44 prior to the giving of a notice of injury under this chapter. In any
45 such case, the volunteer peace officer shall be deemed to have been
46 injured and shall be entitled to treatment and care and disability bene-
47 fits as provided in this chapter.

48 § 12. Nonschedule adjustments. Notwithstanding any other provision of
49 this chapter, in any case coming within the provisions of sections ten
50 and eleven of this article, in which the right to benefits has been
51 established and benefits have been paid for not less than three months,
52 in which the continuance of disability cannot be ascertained with
53 reasonable certainty, the workers' compensation board may, in the inter-
54 est of justice, approve a nonschedule adjustment agreed to between the
55 claimant and the political subdivision liable for the payment of bene-
56 fits or its insurance carrier. The provisions of subdivision five-b of

1 section fifteen of the workers' compensation law shall apply in any such
2 case.

3 § 13. Reclassification of disabilities. Subject to the limitations in
4 section fifty-one of this chapter and in section one hundred twenty-
5 three of the workers' compensation law as made applicable to this chap-
6 ter by section fifty-seven of this chapter, the workers' compensation
7 board may at any time, without regard to the date of the injury, upon
8 its own motion, or on application of any party in interest, reclassify a
9 disability upon proof that there has been a change in condition, or that
10 the previous classification was erroneous and not in the interest of
11 justice.

12 § 14. Previous disability. The fact that a volunteer peace officer has
13 suffered previous disability or received benefits therefor as provided
14 in the workers' compensation law, or this chapter shall not preclude him
15 from benefits for a later injury nor preclude death benefits for death
16 resulting therefrom; provided, however, that a volunteer peace officer
17 who is suffering from a previous disability shall not receive benefits
18 for a later injury in excess of the benefits allowed for such injury
19 when considered by itself and not in conjunction with the previous disa-
20 bility. Notwithstanding the foregoing provisions of this section, if a
21 volunteer peace officer has previously incurred permanent partial disa-
22 bility through the loss or loss of use of one hand, one arm, one foot,
23 one leg, or one eye, and suffers the loss or loss of use of another such
24 major member or eye, he may be adjudged permanently totally disabled and
25 receive benefits for permanent total disability as provided in section
26 eight of this article.

27 § 15. Expense for rehabilitating injured volunteer peace officers. A
28 volunteer peace officer, who as a result of injury is or may be expected
29 to be totally or partially incapacitated for a remunerative occupation
30 and who, under the direction of the state education department is being
31 rendered fit to engage in a remunerative occupation, may receive such
32 additional financial benefit necessary for his rehabilitation as the
33 workers' compensation board shall determine. Not more than thirty
34 dollars per week of such additional amount shall be expended for mainte-
35 nance. Such expense and such of the administrative expenses of the state
36 education department as are properly assignable to the expenses of reha-
37 bilitating such volunteer peace officers shall be paid out of the voca-
38 tional rehabilitation fund created pursuant to subdivision nine of
39 section fifteen of the workers' compensation law. Any such volunteer
40 peace officer for the purposes of such fund shall be considered an
41 employee of the political subdivision or law enforcement agency liable
42 for the payment of benefits to such volunteer peace officer under this
43 chapter and such "employer" or its insurance carrier, as the case may
44 be, shall make the same financial contribution to such fund as required
45 by subdivision nine of section fifteen of the workers' compensation law
46 in every case of injury causing death of a volunteer peace officer in
47 which there are no persons entitled to financial benefits under this
48 chapter other than (1) funeral expenses and (2) the death benefit
49 provided in subdivision two of section seven of this article.

50 § 16. Treatment and care. A volunteer peace officer injured in line of
51 duty shall be entitled to receive medical, surgical, podiatric, chirop-
52 ractic, psychological and other attendance and treatment, nurse and
53 hospital service, medicine, crutches, artificial members, devices,
54 appliances, and apparatus, including the replacement and repair thereof,
55 for such period as the nature of the injury or the process of recovery
56 may require and the political subdivision or law enforcement agency

1 liable for the payment of benefits to the volunteer peace officer under
2 this chapter because of such injury shall be liable therefor and the
3 cost thereof shall be audited, raised and paid as provided in section
4 thirty of this chapter. The provisions of sections thirteen through
5 thirteen-m, inclusive, and sections nineteen through nineteen-b, inclu-
6 sive, of the workers' compensation law, to the extent that such
7 provisions are not inconsistent with this chapter, shall be applicable
8 in relation to any injured volunteer peace officer, political subdivi-
9 sion and third persons as fully as if set forth in this chapter.

10 § 17. Aliens. Financial benefits payable under this chapter to aliens
11 not residents or about to become nonresidents of the United States or
12 Canada shall be in the same amount as provided for residents, except
13 that dependents in any foreign country shall be limited to surviving
14 spouse and child or children, or, if there be no surviving spouse or
15 child or children, to the surviving father or mother whom the volunteer
16 peace officer has supported, either wholly or in part, for a period of
17 one year prior to the date of the injury.

18 § 18. Disposition of accrued benefits upon death. Except as otherwise
19 provided in section ten of this article, in the case of the death of an
20 injured volunteer peace officer to whom there was due at the time of his
21 death any benefits under the provisions of this chapter, the amount of
22 such benefits shall be payable to the surviving spouse, if there be one,
23 or, if none, to the surviving child or children of the deceased under
24 the age of eighteen years, and if there be no surviving spouse or chil-
25 dren, then to the dependents of such deceased or to any of them as the
26 workers' compensation board may direct, and if there be no surviving
27 spouse, children or dependents of such deceased, then to his estate. An
28 award for disability may be made after the death of an injured volunteer
29 peace officer.

30 § 19. Exclusiveness of remedy. The benefits provided by this chapter
31 shall be the exclusive remedy of a volunteer peace officer, or his
32 spouse, parents, dependents, next of kin, executor or administrator, or
33 anyone otherwise entitled to recover damages, at common law or other-
34 wise, for or on account of an injury to a volunteer peace officer in
35 line of duty or death resulting from an injury to a volunteer peace
36 officer in line of duty, as against (1) the political subdivision or law
37 enforcement agency liable for the payment of such benefits, (2) the
38 political subdivision regularly served by the law enforcement agency of
39 which the volunteer peace officer is a member, whether or not pursuant
40 to a contract for law enforcement services, even though any such poli-
41 tical subdivision is not liable for the payment of such benefits in the
42 circumstances, and (3) any person or company acting under governmental
43 or statutory authority in furtherance of the duties or activities in
44 relation to which any such injury resulted; provided, however, that the
45 benefits provided by this chapter shall not be the exclusive remedy as
46 against persons who, in the furtherance of the same duties or activ-
47 ities, are not similarly barred from recourse against the volunteer
48 peace officer, or his executor or administrator.

49 § 20. Other remedies of volunteer peace officers; subrogation. The
50 provisions of section twenty-nine of the workers' compensation law to
51 the extent that such provisions are not inconsistent with the provisions
52 of this chapter, shall be applicable as fully as if set forth in this
53 chapter.

54 § 21. Assistance to other states, the Dominion of Canada, property
55 ceded to the federal government and to Indian reservations. 1. Whenever
56 a department in this state shall answer a call to furnish assistance to

1 any political subdivision or territory of another state of the United
2 States or of the Dominion of Canada, or property ceded to the federal
3 government, the provisions of this chapter shall apply with respect to
4 the volunteer peace officers of such department, while such assistance
5 is being rendered or while going to or returning from the place from
6 where the assistance is to be or was rendered, to the same extent and in
7 the same manner as if such service had been rendered in or for the area
8 regularly served by such volunteer peace officer; provided, however,
9 that there shall be deducted from any amounts payable under this chapter
10 any amounts recoverable by or payable to any such volunteer peace offi-
11 cer under the laws applicable in the political subdivision or territory
12 for which the call for assistance was made.

13 2. The provisions of this chapter shall apply with respect to volun-
14 teer peace officers of departments of other states of the United States
15 and of the Dominion of Canada who render service in this state in answer
16 to a call for assistance to the territory regularly served by a law
17 enforcement agency described in subdivisions one through five, inclu-

25 provisions under which benefits are granted in relation to volunteer
26 peace officers of this state who are killed or injured when rendering
27 service in such other states, or the Dominion of Canada, as the case may
28 be, in answer to a call for assistance; provided, however, that there
29 shall be deducted from any amounts payable under the provisions of this
30 chapter to a volunteer peace officer of such other states or of the
31 Dominion of Canada, any amounts recoverable by or payable to such volun-
32 teer peace officer under the laws of the state served by such volunteer
33 peace officer or of the Dominion of Canada, as the case may be.

34 3. Whenever a law enforcement agency in this state shall answer a call
35 for assistance to be rendered to any part of an Indian reservation the
36 provisions of this chapter shall apply with respect to the volunteer
37 peace officers of such law enforcement agency or department, while such
38 assistance is being rendered or while going to or returning from the
39 place from where the assistance is to be or was rendered, to the same
40 extent and in the same manner as if such service had been rendered in or
41 for the area regularly served by such volunteer peace officers.

42 § 22. Revenues and benefits from sources other than this chapter. 1.
43 Benefits, savings or insurance of the injured or deceased volunteer
44 peace officer, or insurance carried for his benefit under subsection (a)
45 of section four thousand two hundred thirty-seven of the insurance law,
46 shall not be considered in determining the benefits to be paid and
47 provided under this chapter, nor shall such benefits be diminished or
48 reduced by reason of the payment to an injured volunteer peace officer
49 of salary, wages or other remuneration by any political subdivision
50 liable for the payment of such benefits.

51 2. Benefits received from any political subdivision pursuant to
52 service award payments authorized by article eleven-AA of the general
53 municipal law shall not be considered in determining the benefits to be
54 paid and provided under this chapter.

16 provided in article five of the workers' compensation law and in section
17 twenty-one of this chapter:

18 1. If at the time of injury the volunteer peace officer was a member
19 of a law enforcement agency of a county, city, town, village or law
20 enforcement agency, any benefit under this chapter shall be a county,
21 city, town, village or law enforcement agency charge, as the case may
22 be, and any claim therefor shall be audited in the same manner as other

33 agency charges.

34 3. If at the time of injury the volunteer peace officer was a member
35 of a law enforcement agency and located outside of a city, village or
36 law enforcement agency any benefit under this chapter shall be a town
37 charge and any claim therefor shall be audited and paid in the same
38 manner as town charges and the amount thereof raised upon the property
39 liable to taxation in such outside territory protected by such law
40 enforcement agency in the same manner as town charges therein are
41 raised.

42 4. If at the time of injury the volunteer peace officer was a member
43 of a law enforcement agency operating in, or maintained jointly by two
44 or more villages, or two or more towns, or two or more law enforcement

7 5. Any political subdivision may finance the payment of any benefits
8 to be paid and provided under this chapter by the issuance of serial
9 bonds or capital notes pursuant to the local finance law unless it is

40 contrary. The provisions of subdivision five of section fifty of the
41 workers' compensation law shall be applicable to such self-insurers.

42 8. The governing board of a political subdivision liable for the
43 payment of such benefits may authorize the treasurer or other fiscal
44 officer thereof to pay the financial benefits provided for in this chap-
45 ter to the person entitled thereto without waiting for an award in any
46 case in the manner provided in section forty-nine of this chapter. The

48 constitute a settled claim within the meaning of the local finance law.

49 9. Where a city, village, or town is furnished service by law enforce-
50 ment agency, or any unit thereof pursuant to a contract entered into

3 the manner provided by law for the amendment of any such contract, or at
4 the option of the contracting parties without a public hearing, to
5 provide for payment by the city, village or law enforcement agency
6 receiving such service to the city, village, law enforcement agency or
7 town in which such law enforcement agency has its headquarters, of a sum

27 service rendered pursuant to such contract. Any such additional sum so
28 paid shall not be subject to division with a law enforcement agency as
29 otherwise provided by law in the case of contracts for such service.

30 § 31. The insurance contract. 1. The provisions of subdivisions one,
31 two, four, five and seven of section fifty-four of the workers' compen-
32 sation law, in relation to the insurance contract, which are not incon-
33 sistent with this chapter, shall be applicable as fully as if set forth
34 herein. The insurance carrier shall be a party to all hearings and
35 determinations by the workers' compensation board or the courts and
36 shall have the right to raise or plead any defense available to the
37 political subdivision liable in the first instance for the benefits to
38 be paid and provided by this chapter.

39 2. A contract of insurance indemnifying against the liability imposed
40 by this chapter issued by an insurance carrier to a county or a town and
41 in force on or after the effective date of such chapter, shall contain a
42 provision reading as follows: "This contract does not provide (a) any
43 coverage under the workers' compensation law or the volunteer peace

3 next succeeding the effective date of this chapter, and any renewal
4 thereof, (a) shall be a separate and distinct contract, (b) shall not be
5 attached as an endorsement or rider to, or in any other way form a part
6 of, a workers' compensation insurance contract, (c) shall not have
7 attached thereto any endorsement or rider covering any liability under
8 the workers' compensation law and (d) shall not be on a contract form

12 4. An insurance contract to indemnify against liability imposed by
13 this chapter originally issued to take effect prior to the effective
14 date of such chapter, shall not be renewed to continue in effect on or
15 after March first, in the year of the effective date of this chapter, if
16 (a) it is attached as an endorsement or rider to, or in any other way

23 § 32. Group insurance. 1. Notwithstanding any provision of section
24 thirty of this article, any town may contract for a single policy of
25 insurance indemnifying (a) all law enforcement agencies wholly within
26 such town which are liable for the payment of benefits under this chap-

31 If a town has any such liability and contracts for such a single policy,
32 then and in that event only any such policy, if requested by the board
33 of trustees of any village wholly within the town, or by the board of
34 commissioners of any law enforcement agency wholly within the town,
35 shall also indemnify such village or law enforcement agency against such
36 liability. The cost of such insurance shall be a town charge and shall
37 be levied and collected in the same manner as other town charges only in
38 the territory of such town which is liable for the payment of benefits
39 under this chapter and which is outside of any village and law enforce-

2 enforcement agency lies wholly or partly within two or more towns, the
3 population of the district within each such town. The population shall
4 be that which is shown by the latest federal census, or, if not shown by
5 such census, then as estimated. The estimate used for any village,
6 district or other area in a town plus the estimated or actual population
7 of all other villages, districts and areas in such town shall not exceed
8 the population of such town as shown by the latest federal census. It
9 shall be the duty of the chairman of the board of supervisors of the
10 county, upon the filing of such resolutions and agreement, promptly to
11 contract for insurance indemnifying against the liability imposed by
12 this chapter in the manner provided in section thirty of this article.
13 Except by mutual consent of the participating members, a member may
14 withdraw from such a group only upon the anniversary date of the policy,
15 and then only upon thirty days' notice of withdrawal by mail to the
16 chairman of the board of supervisors. The cost of such insurance shall
17 be apportioned by the clerk of the board of supervisors of the county to
18 each such city, village, law enforcement agency and such territory
19 outside such municipal corporations and districts, in the proportion
20 that the agreed population bears to the entire population of the group.
21 Refunds, dividends and discounts in relation to such insurance shall be
22 distributed or credited according to the same apportionment. Upon
23 notification by the clerk of the board of supervisors, the chief fiscal
24 officer of each such city, village or law enforcement agency shall pay
25 to the county treasurer, from moneys available or made available, the
26 amount apportioned to such city, village or district. Upon like notifi-
27 cation, the supervisor of each town in which such law enforcement agency
28 is located in whole or in part, or in which such outside territory is
29 located, shall pay to the county treasurer the amount apportioned for
30 such district, in whole or in part, or territory, as the case may be,
31 using moneys raised or made available for the purposes of service in
32 such district or outside territory, or if there be no such moneys or
33 insufficient moneys, using funds of the town available or made avail-
34 able, which funds shall be a charge upon such district or territory for
35 which the town shall be reimbursed. The county treasurer shall pay the
36 cost of such insurance with such moneys, or if any apportioned share has
37 not been paid, the county treasurer shall advance the amount necessary
38 from moneys of the general fund upon resolution of the board of supervi-
39 sors. Any such advance shall be repaid as soon as moneys are available
40 therefor. If any apportioned share remains unpaid, the county may
41 recover the same by action at law. If any member of the group shall fail
42 to pay its apportioned share within thirty days after notice that such
43 amount has become due and payable, the chairman of the board of supervi-
44 sors may terminate the participation of such member in the group by
45 notice by mail to such member on a date specified in the notice, and a
46 copy of such notice shall be filed by the chairman of the board of
47 supervisors with the insurance carrier, who shall notify the chairman of
48 the workers' compensation board of the termination of coverage in the
49 same manner as provided for cancellation of policy under subdivision
50 five of section fifty-four of the workers' compensation law. If any
51 village or law enforcement agency is located in two or more counties, it
52 may elect to join such a group in one of such counties. If any law
53 enforcement agency includes territory in more than one county, it shall
54 become a participant only if all the town boards acting for and on
55 behalf of such district shall have elected that such district shall
56 become a participant in such a group, and in such case such town boards

3 whether or not in more than one county, the amount of cost of insurance,
4 refund, dividend or discount apportioned to such district shall be

1 board of supervisors of the county, the comptroller or chief financial
2 officer of the city, the town clerk of the town, the clerk of the
3 village, the secretary of the law enforcement agency or the law enforce-
4 ment agency, as the case may be, by delivering it to such officer or by
5 registered letter properly addressed to such officer. The failure to
6 give notice of injury or notice of death shall be a bar to any claim
7 under this chapter unless such failure is excused by the workers'
8 compensation board on any of the following grounds, (1) that for some
9 sufficient reason the notice could not have been given, (2) that a
10 member of a body in charge of, or any officer of, the law enforcement
11 agency had knowledge within such ninety-day period of the injuries or
12 death, (3) that the political subdivision, or its insurance carrier had
13 not been prejudiced by a delay in giving such notice, or (4) that the
14 cause of disablement or death was not known to be the result of service
15 performed in line of duty as a volunteer peace officer in sufficient
16 time to comply with the provisions of this section.

17 § 41. Claim for benefits. The right to claim benefits under this chap-
18 ter shall be barred, except as hereinafter provided, unless within two
19 years after the injury, or, if death results therefrom, within two years
20 after such death, a claim for the benefits under this chapter shall be
21 filed with the chairman of the workers' compensation board and a copy of
22 such claim shall be filed with the same officer to whom a notice of
23 injury must be given under section forty of this article. The right of a
24 volunteer peace officer or his dependents to claim benefits under this
25 chapter for disablement or death, as the case may be, caused by disease
26 shall not be barred by the failure of the volunteer peace officer or his
27 dependents to file a claim within either such period of two years,
28 provided such claim shall be filed after either such period of two years
29 and within ninety days after disablement or ninety days after knowledge
30 that the disease is or was due to service as a volunteer peace officer,
31 whichever is the later date. The claim shall be in substantially the
32 same form and shall give substantially the same information as is
33 required to be given in a claim under the provisions of section twenty-
34 eight of the workers' compensation law. Notwithstanding the provisions
35 of any other law, any such claim need not be sworn to, verified or
36 acknowledged. No case in which an advance payment is made to a volunteer
37 peace officer or to his dependents in case of death shall be barred by
38 the failure of the volunteer peace officer or his dependents to file a

41 had been filed.

42 The date of injury caused by disease shall be the date of contracture
43 of such disease as determined by the workers' compensation board on the
44 hearing of the claim and the responsibility of the political subdivision
45 liable for the payment of benefits and its insurance carrier shall be
46 fixed by the date of injury as so determined.

47 § 42. Reports of injuries, claims and proceedings. If an injury is one
48 for which an insurance carrier might be liable under a contract of

52 be filed under the provisions of this chapter shall send a copy of such
53 notice and claim and a copy of any notice of a proceeding relating to an
54 injury or claim to such insurance carrier or county plan of self-insu-
55 rance, as the case may be, promptly after receiving the same. The poli-

2 reports to the chairman of the workers' compensation board as required
3 by section one hundred ten of the workers' compensation law, which by
4 section fifty-seven of this article is made applicable to this chapter.
5 Failure to comply with the provisions of this section shall not relieve
6 such an insurance carrier of liability or a county plan of self-insu-
7 rance from its obligation to pay.
8 § 43. Determination of claims for benefits. The provisions of section
9 twenty of the workers' compensation law shall be applicable as fully as

15 years after such death, as provided in section forty-one of this arti-
16 cle, then in any proceeding for the enforcement of such claim, it shall
17 be presumed in the absence of substantial evidence to the contrary:
18 1. That the claim comes within the provisions of this chapter.
19 2. That sufficient notice thereof was given.
20 3. That the injury was not occasioned by the wilful intention of the
21 injured volunteer peace officer to bring about the injury or death of
22 himself or another.
23 4. That the injury did not result solely from the intoxication of the
24 injured volunteer peace officer while acting in line of duty.
25 5. That the contents of medical and surgical reports introduced in
26 evidence by claimants for benefits shall constitute prima facie evidence
27 of fact as to the matter contained therein.
28 § 45. Modification of awards, decisions or orders. The provisions of
29 section twenty-two of the workers' compensation law shall be applicable
30 as fully as if set forth in this chapter.
31 § 46. Appeals. The provisions of section twenty-three of the workers'
32 compensation law shall be applicable as fully as if set forth in this
33 chapter except that reimbursement following modification or recession
34 upon appeal shall be paid from administration expenses as provided by
35 section sixty of this article.
36 § 47. Costs and fees. The provisions of section twenty-four of the
37 workers' compensation law shall be applicable as fully as if set forth
38 in this chapter.
39 § 48. Representation before the workers' compensation board. The
40 provisions of section twenty-four-a of the workers' compensation law
41 which are not inconsistent with the provisions of this chapter shall be
42 applicable as fully as if set forth in this chapter.
43 § 49. Benefits; how payable. Except as otherwise provided in subdivi-
44 sions one and two of section seven of this chapter, benefits under this
45 chapter shall be paid in the manner provided in section twenty-five of
46 the workers' compensation law. The provisions of such section twenty-
47 five, other than those relating to welfare, pension or benefit plans,
48 agreements and trusts, shall be applicable as fully as if set forth in
49 this chapter.
50 § 50. Payments pending controversies. In order that the benefits to be
51 paid and provided under this chapter shall be paid promptly where such
52 benefits are conceded to be due to any person because of the death of or
53 injuries to a volunteer peace officer, but controversy exists as to
54 which political subdivision or law enforcement agency is liable for the
55 payment thereof, the municipal corporations, law enforcement agencies

3 to, or in relation to, the person conceded to be entitled to such bene-
4 fits without waiting for a final determination of the controversy, and

6 such payment, any party to the agreement may seek a final determination

12 parties to the agreement shall make any necessary and proper reimburse-

19 subdivision two of section seven of this chapter shall not constitute
20 payment of benefits for the purpose of determining the amount of the
21 payment to the fund for reopened cases. Benefits paid to volunteer peace
22 officers and other persons entitled to benefits under this chapter from
23 the fund for reopened cases shall be in accordance with the provisions
24 of this chapter.

25 2. The insurance carrier or entity responsible for payment of benefits
26 paying such benefit increase shall claim for such benefit increase
27 reimbursement from the special fund for reopened cases commencing one
28 year from the date of the first such payment and annually thereafter
29 while such payments continue, on a form prescribed by the chair.

30 3. All carriers shall pay benefits in conformance with rates set
31 forth in section eight of this chapter without awaiting modification by
32 the board of any prior inconsistent award.

34 provisions of section twenty-five-b of the workers' compensation law
35 shall be applicable as fully as if set forth in this chapter.

36 § 53. Enforcement of payment. 1. The provisions of section twenty-six
37 of the workers' compensation law, other than the portions relating to
38 section fourteen-a, subdivision eight of section fifteen and section

40 if set forth in this chapter.

41 2. The provisions of section fifty-four-b of the workers' compensation
42 law shall be applicable as fully as if set forth in this chapter.

43 § 54. Aggregate trust fund. The provisions of section twenty-seven of
44 the workers' compensation law which are not inconsistent with the
45 provisions of this section, shall be applicable as fully as if set forth
46 in this chapter with respect to claims for benefits under this chapter.

51 any other person, any person wilfully makes a false statement or repre-
52 sentation, he shall be guilty of a misdemeanor.

53 § 56. Non-duplication of benefits. If benefits are required to be paid

15 4. The board shall keep an accurate record of all hearings held. Where

27 article.

28 6. Assessments for the fund for reopened cases and for the operations

40 prescribe, by each insurance carrier, including the state insurance
41 fund. Each such payment shall be a sum equal to twenty-five per centum
42 of the annual expenses assessed upon each carrier, including the state
43 insurance fund, as estimated by the chair. The balance of assessments
44 for the fiscal year beginning April first, in the year of the effective
45 date of this chapter and each fiscal year thereafter, shall be paid upon

15 officer was engaged as set forth in section five of this chapter for
16 which benefits shall be paid, unless it can be shown by substantial
17 evidence to the contrary that the duties and activities of the volunteer
18 peace officer in which the volunteer peace officer was engaged at the

31 3. This section shall not be construed to repeal by implication any
32 existing provision of law.
